Transportation for care teams

HMR Transportation is a Burleson-based non-emergency medical transportation provider supporting facilities and care coordinators in Johnson County, Tarrant County, and surrounding communities.

Transportation options

- Ambulatory transportation
- Wheelchair transportation
- Bariatric transportation
- Reclining chair transportation

Who can coordinate with HMR

- Hospitals and clinics
- Dialysis and rehabilitation centers
- Assisted living and care teams
- Case managers and coordinators

How to coordinate a ride

1. Prepare pickup and destination addresses, mobility and assistance needs, appointment arrival time, and return-trip preferences.
2. Request transportation online or call dispatch for assistance.
3. Confirm the route, service, timing, and availability with dispatch. An online request alone does not confirm transportation.
